

FAM ATM Service Tiers

Marathon FULL SERVICE

Revenue with No investment and No effort

- Owners who want to generate earnings but want no investment of money or time with the ATM.

The **Marathon FULL SERVICE** plan allows store owners to receive revenue with no investment or effort to take care of the ATM. The only requirement for store owners using this plan is to supply electricity for the ATM. FAM ATM provides ATM, transaction processing, cash, ATM supplies, maintenance and repairs, telecommunications, and insurance.

Minimum Monthly Transactions: 250

Marathon PREMIUM

Good Revenue with Low investment and Minimal effort

- Owners who want to generate earnings but want limited involvement in maintaining their ATM.

The **Marathon PREMIUM** plan is designed for store owners that desire a good source of revenue but want a low initial investment and minimal effort maintaining the ATM. In addition to providing transaction processing, FAM ATM supplies an ATM to your location and takes care of the maintenance and repairs.

Minimum Monthly Transactions: 100

Marathon STANDARD Plus+

High revenue but More investment and effort

- Owners who want to maximize their earnings but are unwilling to get involved in providing repair services.

The **Marathon STANDARD Plus+** plan is designed for store owners who desire high revenue and are willing to make an initial investment as well as regular supply costs. FAM ATM is responsible for all transaction processing as well as any repairs that need to be made to the ATM machine.

Minimum Monthly Transactions: 100

Marathon STANDARD

Maximum revenue with Maximum investment and effort

- Owners who want to earn the maximum from their ATM
- Owners who are willing to invest in an ATM and will spend time and money on the program.
- Owners who are willing to be very involved in maintaining their ATM

The **Marathon STANDARD** plan is designed for store owners who want to realize maximum profit from their ATM. FAM ATM provides transaction processing while owners provide the initial investment and are responsible for supplying and loading cash into the ATM, maintenance and repairs, utilities, and insurance.

Minimum Monthly Transactions: 5
