

The ATM industry provides exceptional profit opportunities for those who participate. Whether you have a great location and want to buy an ATM or you want to learn about the industry and start out on a lower-risk leasing program, FAM ATM has the knowledge and programs to help you succeed!

Our goal to design a program that is mutually beneficial. Our unique business model and knowledge of the ATM industry, enables FAM ATM to give you the tools needed to succeed! Unlike many other providers, we have helped hundreds of ATM distributors start their own ATM businesses.

"Your success defines our success!"

FAM ATM will spend the time it takes to get you the right ATM. We will help you with any questions you may have along the way, so you will have a much higher chance of maximizing your ATM revenue!

ATMs For Sale & Placement

We have an excellent selection of ATMs from Hyosung, Triton, Tranax and Tidel. We can help you launch your business whether you want to buy, lease or place an ATM with no up front investment.

Beyond the ATM

FAM ATM also supplies all the replacement parts and supplies that you need to keep your ATM running with maximum efficiency.

Customer Service

We provide unfailing technical support from certified technicians. We ensure that all your service needs are met in a timely manner.

ATM Payment Plan

We now offer affordable payment plans which makes owning an ATM even easier. Our terms are very flexible.

Monitoring your ATM

We provide the most efficient monitoring for your ATM. You can confirm that your ATM is working, access reports for daily transaction volumes and receive month end reports through your own web based account.
